Chiquola."

What your Tailor?

The Neatness of the Bobby Coiffure.

There is a certain pretty primness about the Bobby coiffure, besides its suggestive of youthfulness, to account for its ever-growing success. This particular style is developed in several ways but all of them, first of all, neat. In them the hair seems to be carefully arranged and put in place—stay in place. One cannot imagine it blown about. It is, in fact, pinned down with many small pins and further confined with a hair band of some sort. This manner of dressing it helps the coiffure to fulfill what is required of it. Of course this quality of neatness carries with it the impression of refinement.

In this style the hair at the sides is either cut short or dressed in such a way as to appear "bobbed." It is said the hair is benefited by being cropped, if it is thin, so that those whose locks are scanty may sacrifice some of them to the style without regret. But where the hair is abundant this is not to be considered. The cleverness of the hairdresser must be relied upon to dispose of the extra length by curling under the ends, or by combing them out of the way and substituting some acquired short hair for them. This is one of the styles in which long hair is more difficult to handle, than short hair. And it invites the use of extra pieces because they need only to be very light and are easily adjusted.

In the picture given here the coiffure is shown with the hair waved and part-

ed at one side. The ends are turned under and pinned up to make the bobbed effect. A band of velvet ribbon holds the hair about the face in place. If short enough the hair may be turned under across the back or arranged in a series of puffs. Longer hair is coiled or braided and pinned low, against the crown.

JULIA BOTTOMLEY.

FRAME FOR THE SILHOUETTE

Best to Preserve Old-Time Style for Wall Decorations—Hard to Improve Upon.

Should you possess an old silhouette without a frame, and desire to properly preserve it under glass, do not make the mistake of putting a modern setting about it. Avoid clean, white mats and new-looking molding. Preserve as much of the time-honored yellow background as possible, and put an antique-looking oval or square frame of dull gilt about it, as frames of this kind are characteristic of the period when silhouettes were in vogue.

Black frames are also in good taste, but do not give the look of antiquity so well simulated by the dull gilt.

In treating the silhouette in any way it must be remembered that this form of art is old, and its immediate environment must be in keeping in order to preserve its charm.

ORDER IN WHICH STREETS WILL BE PAVED ARRANGED

OF THOSE TO BE PAVED
WITH ASPHALT WEST
MARKET FIRST

M'DUFFIE WILL BE THE NEXT

River and Calhoun Streets Next
and Will be Paved at the
Same Time.

Of the streets to be paved with asphalt West Market street will be the first. This street was designated by the street paving commission, which met at 6 o'clock Friday afternoon. As soon as the work on Market street is completed work will be commenced on McDuffie street, to extend all the way from Hampton to Greenville, with the exception of that part in the immediate business section which is now paved with Belgian blocks. Next to McDuffie street comes River street and Calhoun street—these streets to be on equal basis, that is, the work to be carried on on these two streets at the same time.

When Chairman Horton called the meeting of the commission to order yesterday afternoon he stated that the plumbers are anxious to know what streets are to be paved first so that they can concentrate on those streets in making gas, water and sewer connections, as required by an ordinance recently passed by the city council. It was pointed out that the material to be used by the traction company in riving their tracks will not be here for some time, certainly not until the asphalt plant is ready to begin operations, and on this account it is necessary to designate some street or streets not occupied by the car tracks to begin work on. It was stated that West Market street was nearer ready for paving than any other street in the city, because cement drains have replaced the old rock drains and because the plumbing work on this street is more advanced than on any other street. This being the case the commission voted to begin work on Market street, the work to be continued until the street is paved to Maxwell avenue. Incorporated in the same motion was instructions that work be taken up next on McDuffie street, and then on River and Calhoun streets.

The discussion before the commission was only with regard to asphalt paving, because a separate force will put down the brick paving on Main street. The paving on Main street is to be commenced just as soon as the contractors get ready to begin. All of the commissioners want Main street paved as quickly as possible, and it is highly probable that this work will be taken up while the asphalt is being laid on the first street—West Market street. It depends on the time the traction company receives its material to begin paving the tracks on Main street. The commissioners ask that the plumbing contractors bear this in mind, and that they do all the work possible on Main street, both North and South, just as soon as they can, but giving West Market street preference, because work will certainly begin on this street first of all.

It is highly important, in the opinion of the commissioners, that an iron clad ordinance be passed prohibiting the cutting of paving for any reason, to make water, gas, sewerage or any other kind of connections, certainly not within 10 years. The matter was thoroughly discussed, and it is the opinion of all commissioners that the paving can not be cut during a period of 10 years unless a permit is procured from the city engineer, and for this permit \$100 must be paid. The commission desires the city council to amend its ordinance accordingly.

Because of the extra heavy traffic and because of the fact that the First Baptist church is located on Manning street, the paving commission decided to invite petitions for paving from the property holders on this street, between River street and East White street.

It is highly probable that the proceeds from the sale of the street paving bonds, approximately \$32,500 which includes accrued interest, will be available today. The commission yesterday afternoon adopted a resolution instructing the treasurer, Mr. D. A. Ledbetter, to deposit \$5,000 of this amount in the Dime Savings Bank, the balance to be divided equally between the Bank of Anderson, the Farmers and Merchants Bank, the Peoples bank and the Citizens National bank. According to an agreement reached with the bankers the deposits are to bear interest at the rate of three per cent. per annum at the expiration of four months, the average deposit for each 30 days to be the basis in computing the interest.

City Engineer Sanders stated to the commission that he has received a telephone message from the Southern Paving construction company, and that General Superintendent Craney and Mr. Mertz, traveling salesman, will reach Anderson, next Wednesday.

Lame Back.

Lame back is usually due to rheumatism of the muscles of the back. Hard working people are most likely to suffer from it. Relief may be had by massaging the back with Chamberlain's Liniment two or three times a day. Try it. Obtainable everywhere.

FOLEY KIDNEY PILLS
FOR SACRIFICING KIDNEYS AND BLADDER

BUY IT NOW!

AT FIRE SALE

Why put off buying your Summer Clothing, Shirts, Underwear, Shoes, Hats, etc., longer? Our stock is very complete, and on account of our Fire Adjustment Sale which is now going on, we can save you Big Money on your Summer Needs.

We have already satisfied hundreds of thrifty buyers who are wise enough to take advantage of this wonderful opportunity

You see we made a good settlement with the Fire Insurance Companies, and we are giving our customers the benefit of our good fortune; then again the goods we are selling are PERFECT in every detail, the only difference is in price.

PALM BEACH SUITS We are selling Genuine Palm Beach Suits at **\$5.00**

New Goods Arriving Daily We have just received another shipment of Serge and other new and fashionable Suits, which sold regularly for \$15.00 and \$12.50, which we are selling now at **\$10.00**

We will sell all of this stock out at these tremendous sacrifice fire sale prices, and re-open with brand new goods

The above is from a picture of the crowds leaving this store last Saturday. Every day there is a stream of satisfied customers leaves this store like this picture. Get in line!

Eat Less and Take Salts for Kidneys

Take a Glass of Salts if Your
Back Hurts or Bladder
Bothers.

The American men and women must guard constantly against Kidney trouble, because we eat too much and all of our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; can not injure, makes a delightful effervescent lithia water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.

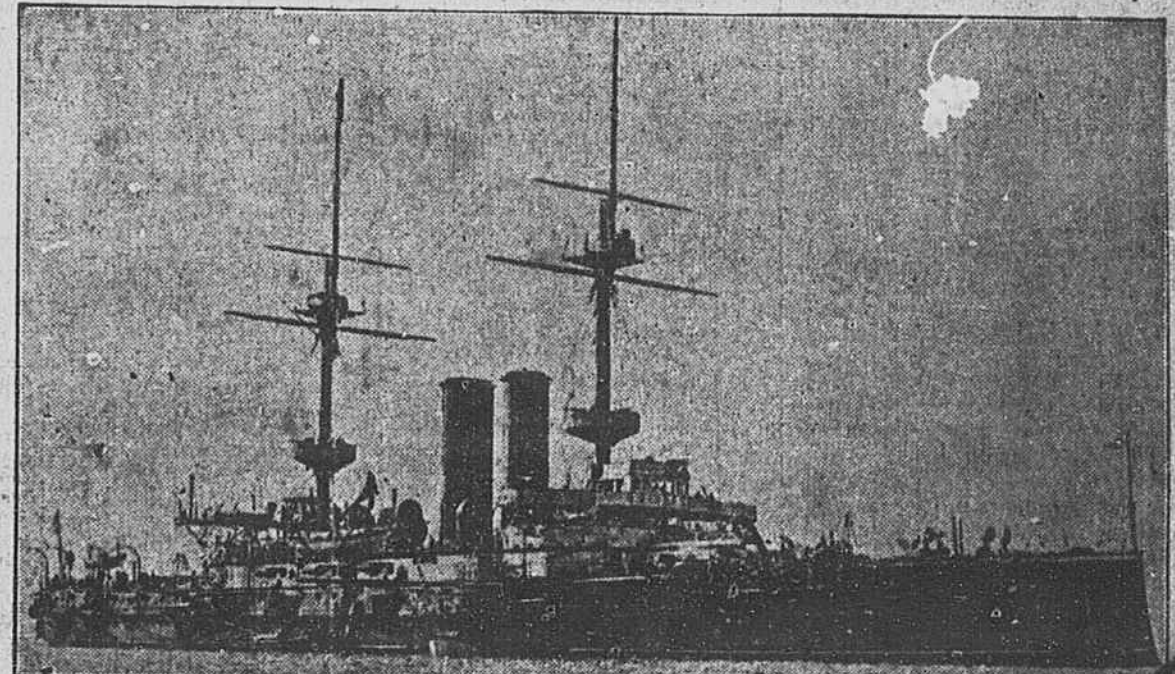

A CORRECTION

There are lots of people who are never satisfied to let well enough alone. Take the case of an ad of R. W. Tribble, which appeared in Friday's Semi-Weekly, which offered \$15.00 and \$12.50 suits or \$10.00. The proof-reader thought he knew better, so he went Mr. Tribble (not the proverbial "one better," but) nine better, and made the price \$1.00. Of course, everybody knows that, even if this is a "Fire Sale," Mr. Tribble cannot sell \$15.00 suits for one dollar. He would be delighted to get 'em at that price. However, those who get these brand new suits at \$10.00 will no doubt be tickled to death with their bargain. See the ad in this issue; there are other good values mentioned in this same announcement.

How Mrs. Harrod Got Rid of Her Stomach Trouble.

"I suffered with stomach trouble for years and tried everything I heard of, but the only relief I got was temporary until last spring I saw Chamberlain's Tablets advertised and ordered a bottle of them at our drug store. I got immediate relief from that dreadful heaviness after eating and from pain in the stomach," writes Mrs. Linda Harrod, Fort Wayne, Ind. Obtainable everywhere.

Winthrop College. SCHOLARSHIP AND ENTRANCE EXAMINATION

The examination for the award of vacant scholarship in Winthrop College and for the admission of new students will be held at the County Court House on Friday, July 2, at 9 a. m. Applicants must not be less than sixteen years of age. When Scholarships are vacant after July 2 they will be awarded to those making the highest average at this examination, provided they meet the conditions governing the award. Applicants for Scholarships should write to President Johnson before the examination for Scholarship examination blanks.

Scholarships are worth \$100 and free tuition. The next session will open September 15, 1915. For further information and catalogue, address Pres. D. B. Johnson, Rock Hill, S. C.

Best Thing for a Bilious Attack.

"On account of my confinement in the printing office I have for years been a chronic sufferer from indigestion and liver trouble. A few weeks ago I had an attack that was so severe that I was not able to go to the case for two days. Failing to get any relief from any other treatment, I took three of Chamberlain's Tablets and the next day I felt like a new man," writes H. C. Bailey, editor Carolina News, Chapin, S. C. Obtainable everywhere.
